Please Read: Important Information Affecting Your Child

August 1, 2022

Dear Parent or Guardian,

We would like to make you aware of the choices available to you based on the results of your child's school on the 2020-2021 Pennsylvania System of School Assessment (PSSA) and/or Keystone Exams. The PSSA and Keystones are annual exams given to Pennsylvania students at various grade levels to measure their academic progress. As per federal policy, assessments for the 2020-21 school year were permitted to take place until Fall 2021, which delayed publication of this list due to the availability of the data until all districts had submitted assessments and then the data could be analyzed and a determination made of the lowest 15% of achieving schools in the Commonwealth.

The Opportunity Scholarship Tax Credit Program (OSTCP) was created pursuant to Act 85 of 2012 (72 P.S. § 1701-G.1, et seq) and amended by Act 86 of 2016 (24 P.S. § 2001-B, et seq). This program enables eligible students residing within the boundaries of low-achieving schools to apply for a scholarship to attend another public or nonpublic school. A low achieving school is defined as a public elementary or secondary school ranking in the bottom 15% of their designation as elementary or secondary school based on the combined math and reading scores on the previous school year PSSA.

The Sto-Rox School District is on the list of the bottom 15% for performance on the combined Math and Reading tests on the 2020-2021 PSSA and/or Keystone exams.

Under the OSTCP program, the Sto-Rox School District must offer students the choice to transfer to another school district or nonpublic school. Please know that the staff at the Sto-Rox School District has a relationship with your child and wants to continue serving your child. However, if you feel your child will be better served in another school, you may request a transfer for your child to one of the schools participating in the OSTCP.

If you wish to take advantage of this opportunity for your child to attend another school, you must go to the Department of Community and Economic Development (DCED) website www.newpa.com/ostc to review the list of scholarship organizations for the school districts and nonpublic schools that are participating in this program. DCED has information regarding the application process. Scholarships are contingent upon available funding.
