I. FORM OF PAYMENT

Note: This section should only be completed after consultation with your personal tax advisor.

I have received a "Special Tax Notice Regarding Plan Payments" form which explains the tax consequences of, and the direct rollover option available with respect to, the distribution of my vested account balance under the Sto-Rox School District 403(B) Plan (the "Plan"). I understand I have the right to defer distribution of my account if my account balance is greater than \$1,000 until I attain age 70-1/2 and I have the right to consider the information provided in that notice for a period of at least 30 days.

If your account balance is greater than the amount specified in the preceding paragraph, please see the attached description that indicates the investment options available under the Plan (including fees) that will be available to you if you do defer a distribution of your account. Please refer to the Summary Plan Description (particularly the sections entitled "VESTING-Forfeitures", "DISTRIBUTIONS", "INVESTMENTS", "MISCELLANEOUS-Loss of Benefit" and MISCELLANEOUS-Fees) for any special rules that might affect your decision to defer payment. Please note that your account may be distributed without your consent if your account falls below the amount specified in the preceding paragraph.

Before taking a distribution, you should compare the expenses associated with leaving your funds in the Plan with the expenses associated with investing the funds in alternative retirement plans such as your new employer's plan or an IRA. In some cases the Plan may offer an investment vehicle that provides lower fees than is available to you in an IRA or other retirement plan. Alternatively, your new employer's plan may provide lower fees for comparable investments, particularly if your new employer's plan is significantly larger than the Plan. In addition, you should compare the investment options available to you in the Plan with the options available to you in alternative retirement plans. Keep in mind that the Plan Administrator may change at any time the manner in which expenses are allocated to your account as well as the investments offered in the Plan. In addition, the fees associated with investments offered in the Plan are also subject to change at any time.

I hereby elect to have my vested account balance paid in the following manner and, to the extent distribution can be made prior to the expiration of 30 days from the date I received the notice my rights, I waive my right to consider the contents of that notice for 30 days and consent to the distribution of my benefit as soon as administratively feasible. Please distribute the benefit as follows: (Please note that Hardship distributions may not be rolled over)

C. No withholding is required if the distribution is less than \$200.

III. SIGNATURES

I hereby consent to the distribution requested on this form. I understand that if I do not roll over this distribution that a 10% penalty tax may apply unless I am at least 59-1/2 years old (or some other exception to the tax applies). If I am requesting that a portion of my distributions be rolled over, I hereby certify that the IRA or

plan identified above is an "eligible retirement plan" authorized to accept the direct rollover I have specified and that it will accept a direct rollover of my Plan distribution.
